

28 October 2020, Online

## Kickoff meeting – Doctoral student network

Swedish Electromobility centre doctoral student network are happy to welcome you to our kickoff meeting, 28 October 2020.

AVL designs and develops e-drive solutions which are tailored to your specific applications, including hybrids, e-vehicles or auxiliaries. They have over 15 years of experience in hybrid and e-vehicle development and have a profound knowledge of e-drive and actuators.

Robert Salzinger and Jan Smith from AVL will shortly present AVL, which will be followed by an event : “Virtualizing EV-development”.

**When:** Wednesday 28 October 2020, 13:00-16:20.

**Where:** Online via Teams

**Questions:** Please email [administration@emobilitycentre.se](mailto:administration@emobilitycentre.se)

**Registration:** Please register with the link below, **at the latest 20 October 2020.**

*\*This event is for members to SEC Doctoral Student network.*

*You can register at our website: [Apply for membership>>](#)*
