

28 October 2020, Online

Invitation to “Digital patent seminar”

Swedish Electromobility Centre are happy to invite our partners to this digital patent seminar.

This seminar will give an introduction to patents and patenting with a focus on issues important to academic researchers, including:

- *Why patent research results?*
- *The patent system*
- *Requirements for patenting*
- *Differences academia – industry*
- *Collaboration agreements*
- *Support for patenting*

Seminar leaders:

Thorunn Grenmark (IP Advisor), Uppsala University Innovation
Nhils Forslund (Business Advisor), Uppsala University Innovation

When: 28 October 2020, 09:00-12:00

Where: Online via Zoom

Registration: Please register **at the latest 20 October 2020**

Questions: If you have any question please email administration@emobilitycentre.se

NOTE! This event is only available for SEC Partners.
