

7 December 2020, Online

Welcome to Kick off meeting for the project: "Design of rare earth element free motors for electromobility"

Swedish Electromobility Centre and Theme 2 active partners associated with Uppsala University invites you for a kick-off meeting for the granted SEC project "Design of rare earth element free motors for electromobility"

The aim of the kick-off-meeting is to get the partners more acquainted with each other, recap the content of the granted proposal and establish a common agreement on how proceed. Further meetings involving practical details will be discussed and planned.

When: 7 December 2020, 13:00-15:00

Where: Online via Teams

Questions: Please email sandra.eriksson@angstrom.uu.se

Registration: The meeting is only open for project partners. Please contact Sandra Eriksson for information at sandra.eriksson@angstrom.uu.se

PRELIMINARY AGENDA

Agenda will be distributed to all registered participants in due time.
