

16 June 2021, online

Welcome to seminar about Horizon Europe

Swedish Electromobility Centre are happy to invite you to this seminar on Horizon Europe.

During this seminar you will get an introduction to the research program Horizon Europe starting this year; the content and how it is structured. A special focus will be on calls in Cluster 5 ('Climate, Energy and Mobility') that is most interesting for SEC. We will also hear some words on how it is to participate in EU-projects.

When: 16 June 2021, 10:00-11:15

Where: Online via Teams

Questions: Please email administration@emobilitycentre.se

Registration: Please register **before 14 June 2021**
